

TERMS & CONDITIONS

^ This promotion is subject to availability. British Gas Hive Security Cameras are available for the first 100 business energy customers who switch their electricity or gas to British Gas via Love Energy Savings. The security camera will be delivered to the business address once the contract has been accepted by the supplier.

Love Energy Savings reserve the right to remove this promotion at any time. As of 26.11.2018 the retail price of the Hive Camera (at hivehome.com) is £129.

Love Energy Savings will not accept:

(A) Responsibility for any goods or services supplied under any new contract or otherwise offered or provided by any third party.

(B) Responsibility for promotional goods that are damaged or delayed in transit, regardless of cause, including, for example and without limitation, as a result of any postal failure, internet failure, equipment failure, technical malfunction, systems, satellite, network, server, computer hardware or software failure of any kind.

By submitting your business energy contract for British Gas through Love Energy Savings, and therefore entry into this promotion, you are agreeing to be bound by these terms and conditions. Love Energy Savings reserves the right to hold void, suspend, cancel, end or amend this promotion where it becomes necessary to do so.

Any personal data which we collect from you, or that you provide to us pursuant to this promotion will be processed by us in accordance with our Privacy Policy which can be accessed at <https://www.loveenergysavings.com/privacy-policy>.

Any queries regarding this promotion should either be addressed by email or post, details below:
